

# Innovation Enterprise Alliance

## IEA Vision/Ethos

Through collaboration, the vision of the IEA is that all schools in our area of influence are at least good and that every member of the learning community is inspired to achieve their potential.

## We believe in

- Raising aspirations of all
- A commitment to quality
- Celebrating diversity and values
- Trust and confidentiality
- Openness and sharing
- Creativity and innovation
- Sustainability and value for money

## We will achieve this through

- Recruiting and retaining a high quality work force
- Identifying the training needs of all partners
- Providing quality CPD and accredited programmes
- Sharing best practice by establishing partnerships
- Respecting the individual culture and ethos of all partners
- Looking outwards to seek innovative and creative providers
- Effective use of resources
